If you're looking for a unique wedding cake, consider Crème Delicious. These henna-inspired cakes are hand-decorated and come in yummy flavors like Pink Champagne, Green Tea and Red Velvet (not to mention the classics, chocolate and vanilla!) Measuring in at a mini 3" x 3", brides can mix and match their favorite flavors to create a wedding cake display that's truly one of a kind. We had the good fortune to sample a few for ourselves, so we can attest to their unbelievable flavor as well as addictive design.

Three *very* lucky winners will receive a henna-inspired cake from Crème Delicious. Here's how to enter:

- 1. Check with Brides.com** every morning to hear about the amazing prize up for grabs that day.
- 2. Head over to our Win page to sign up.** It only takes 30 seconds, tops (we timed it).
- 3. Wait to hear back if you're a lucky winner.** Don't worry, we won't make you twiddle your thumbs too long! (Winners will be alerted via email no later than June 15th.)
- 4. Repeat** the next day and the day after that, so on and so forth...

You can follow Crème Delicious on and Facebook and Twitter!

**Just remember, you can sign up to win each day's dedicated prize (that's 31 separate giveaway items!), but you have to keep coming back to sign up. Limit 1 person per entry per day. Winners will be selected at random.*
