Influenced by the henna method she applies to the skin for traditional Indian weddings, Patangay began transferring her art onto delicious heart cakes. Coming in chocolate, vanilla and red-velvet with an added strawberry, chocolate or hazelnut cream in each delectable delight, Patangay then covers the cake with a white fondant finish. But her job is not done there. Patangay then dyes the cakes in various bright and beautiful colors and meticulously decorates each cake with sugar dusting powder and beads to make remarkable one-of-a-kind henna designs.

The innovative design and artistic creativity in the Creme-Delicious dessert cakes makes Patangay an

extraordinary and unique addition to the wedding cake industry. Her gorgeous use of color and attention to detail makes Creme Delcious a new City Chic Weddings' favorite and is our top pick for sweet and charming wedding favors!
